

Full-time equivalent (FTE) employees are the basis for personnel counts. Calculating FTE employees includes all permanent full-time and part-time budgeted positions, seasonal and temporary positions are not included. For most positions, one FTE equals 2080 hours per year per position based on a 40-hour workweek and 52 workweeks per year. Partial FTE counts occur if permanent part-time positions exist or a full-time position is vacant for a portion of the year.
