City of Clinton Sets Dates for Council District Meetings

The Clinton City Council is excited to announce the 2010 City Council District Meeting schedule. City Council established the annual meetings to provide citizens of Clinton the opportunity to meet directly with their council representatives and city staff. Councilman Steve Stefanovich says, "Our goal is to open the lines of communication between citizens and City Hall. These district meetings are just one tool to accomplish this goal." City Manager John Connet looks at the meetings as a way to build partnerships and address citizen concerns. He says, "The annual district meetings provide a great opportunity for citizens who do not typically come to monthly council meetings to express their concerns and provide us with feedback." The Mayor, district councilmember, and city staff will be present at each meeting to review accomplishments, answer questions, address concerns, and receive feedback from residents. Council members encourage citizens to come and offer ideas and express concerns. The meeting locations are conveniently located for each district to encourage citizen attendance. If you have questions about which district you live in, you can visit the Mayor and City Council page on the City website at www.cityofclintonnc.us, or call City Hall at 910-592-1961.
