FALL SPORTS WRAP UP!

Our fall youth sports season was a great success, with strong participation and exciting competition across multiple programs, including Youth Tackle Football, Flag Football, and Youth Volleyball. These programs continue to play an important role in providing opportunities for young athletes to stay active, build skills, and learn the value of teamwork.

Youth Tackle and Flag Football saw a successful season filled with development, sportsmanship, and community support. Athletes worked hard throughout the season, showing growth in fundamentals, confidence, and teamwork. Coaches and volunteers played a key role in creating a positive and safe environment for players at all levels.

Youth Volleyball also experienced a strong fall season, with participants developing skills in serving, passing, and game strategy while building friendships and confidence on the court. The program provided a fun and supportive atmosphere for both new and returning players.

We would like to thank our coaches, volunteers, parents, and participants for their commitment and support throughout the season. Their involvement helps make youth sports a meaningful and positive experience for everyone involved. We look forward to continuing to grow and strengthen our youth sports programs in the seasons ahead.

SPREADING HOLIDAY CHEER ACROSS OUR COMMUNITY

This holiday season, our department was proud to host two special Christmas events that brought joy and excitement to families throughout our community: Phone Calls from Santa and Santa's Wonderland. Together, these events helped spread holiday magic to over 100 children, creating memories that will last well beyond the season.

The Phone Calls from Santa program delivered personalized calls straight from the North Pole, surprising children and adding an extra touch of excitement to their Christmas celebrations. Hearing Santa's voice brought smiles, laughter, and plenty of holiday cheer to homes across the community.

Santa's Wonderland provided a festive and welcoming space for families to celebrate the season together. From holiday decorations to special moments with Santa, the event offered a magical experience for children and parents alike.

We would like to extend a special thank you to the Clinton Fire Department and Clinton Police Department for their support and assistance. Their involvement helped make these events safe, successful, and truly memorable for everyone involved.

We are grateful to everyone who helped make these events possible and look forward to continuing to serve our community with meaningful programs in the year ahead.
